

LCS Athletic Sign Out Guidelines

1. Parents will complete a transportation permission form at the pre-season meeting
2. In this form parents decide what level of transport their child may have home from away games. Their choices are:
 1. Only with them or school bus
 2. With specific, named families
 3. With any family
3. Take these forms and make a sign out sheet, as exemplified below.
4. Print a sign out sheet for every away game
5. When students leave with parents, check the permissions for that child and make sure the parent transporting other students home signs for **every** student they are taking with them
