

## **NOTICE - Special FREE high-speed Internet Offer from Tidewater Telcom & Lincolnton Network**

Because of the COVID 19 pandemic, the Maine Department of Education (DOE) has received federal emergency funding that can be used to provide high speed broadband connections to K-12 student and teacher households that currently do not have access to minimum internet speeds of 25 Mbps download and 3 Mbps upload. Tidewater Telecom and Lincolnton Network has been approved by the Maine DOE to build out its high-speed fiber optic network to certain student households in Hope, Appleton and Lincolnton.

**To qualify you must apply now for this special offer (application link below):**

Tidewater Telcom and Lincolnton Network will require a 1 year contract and will offer the following:

- **FREE fiber optic installation** at your address (*no up front cost to you*)
- **FREE Router** (*no monthly charge*)
- **FREE internet service** (100 x 100 Meg) for the first 6 months
  - you would pay \$69.95 per month for the second 6 months.
  - at the end of the 12 month period, you can:
    - discontinue service;
    - switch to 50 x 10 Meg service for \$69.95 per month;
    - or upgrade to a higher speed (i.e., 100 x 20 Mbps for \$89.95 per month).
